NEWS AND PERSONAL.

A DECRETAR weldier was killed at Grenado, Mis-

busg, littuois, last year was \$2,654 Tb. Bo say the Register of that burg. The Personness Legislature has passed

SHAPP, BIRNOSTY & Clo's mill, in West 19

The ARKARAN DEGROOD and white Redicals-ided atta-above, not provided for hy the recon-struction acts and rapplementary laws, on the name day on which the election on the constitu-ion was held. They voted for Governor, mo-ners of the Legislature, and other Rists officers.

his morning a list of all the Democrat nominers, so far as we have freetived them, to be voted for in this city on Saturday next. The party has poi in momination excellent men generally—for amperior indeed to usual party nominations. We trust our friends will appreciate the importance of not only supporting all our candidates, but by their personal exertions aid in giving them substan-

therles R. Long, in the Second; Phil. T. Ger nan, in the Tuird, and A'm. O'Couner, in he Fourth, for Common Councilmen; and ir. J. A. Krack, in the Taird ward, for Alderman. It would not be easy in any of the above instances to accure more fastisful and Moleci official.

A communication in another column om Gnneral Brisbin rflectually disposes of report that he is a son in-law of rensto Wade, which has been repeated so frequently that we had supposed it true until information therwise a day or two since. We under

ormed that the apecimen he suit us emp-on ng li to be lead ore, of which there was an awful sight" on file place, was automitted to Dr. T. E. Jankins, of this city, who, after esting it pronounced it to be "from Pysics mealcareons Spar"

great edifice was crowded to its atmost capacity, and the assum was both alognout and impro-

mly to be pleced under the domination

profilm - Radicultius -- Superstation - Pre use of Things I nder the New Hible - Rec Promisers, & c., & c. .
Changeville, Turb , Mar. 28, 1805 that they were judged to to league in that they were judged to bold, and, prepared in the bold, and, prepared dishonest associates. Once possessed of a majority sufficient to pass my billioner the Prepared in the the savoested the parties of that power by the Reducible in Control and the purpose of accuring to the Eddler of the Louisville Courses

cent was the discovery of the ' h w in a fur larger a nee then once to set of also satisfied that the "mostle to deal my this great reputile of our udes the fi e perpetual accordency of the party alou-nt for the gratification of a feeling of hatre kind. I am convinced, ol, we ofr nd revenge against the South, and for the preshold of one of I se grad a riching of his political friends. Therefore onfecation go hand in hand with reco ruction. But, more wary than he, his corres saw, the impolicy of such a proceed L Transed that blood to feast antil after the temp r and f rhear-nee of the people had been fully tested on her points, and hence decimed to approve Noth ag is more apparent than that motive Stevens' confiscation project bug sin

or aiderations of right and justice have noth The improchment project, it will b or d. fa led fu the se iv days of th measure would have been neged to brought forward, but for the apprehen on that the people were not yet prepar at an soon as they thou ht them ele

ocure in proceeding against the Pice der nter zealonaly upon the in quitous budues ems to be 1 ved has greatly emboldy ev need passes at nothing. In this ret of affairs we confess we look with ome apprehension upon the renewed effort stevens is about to make for the enectment of a sweeping commissation bill. In plain rds we feel no confidence that the mis or,

anes of the persecuted people of the South ill larther r hbing individuals of their prop to on the threshold of eternity a me am one of emulating the works of Satan is we thow not; but whatever it is there is but too such probability that it will ere long be

ignorant negroes, but also to be pinndered af abet property remains to them since the war? is there to be no limit to their suffernge, their persecution, and their arongs? 'tterry defanceless, they can, or course, offer no resistance to Radical outrage. nt will the people of the States upon which he from heel of d spot in has not yet be nted ref as to go to their mentaner As we have said, we know not what 810 orruw, or the next day. Such is the rule o

be Rad cale he not shecked to it then me people bid adies to every right they hold the consideration of the American peop An Important Day for Louisville

rty, and by a large maj rity, we have or tormed avarly twenty years ago, and the emendments to it have been so numerous that, as we remarked in our Saturday's feen, it

tion of a new charter with ar little de as practicable is demanded by the interests ; and we caunot doubt that the voter il reference to party pronounce as at Satu

my those who are interested in the proity of Louisville. It is not enough to eay the present wheat is inedequate to our r commerce: it is an absolute diagrace to e city, and the very sight of it is enough bring the blush to the chveks bring face blush to the checks our citizens. The indications are unmissible that Lonteville is destined nitiosetely in a face of the control ble that Louisville is destined nitimetrly come and of the greelest and most pop so of the Western cities, and nathing trut c most culpable apathy on the part of her szene can prevent her from speed by taking settion as such. We cannot doubt that the vote of the people will be var h next Satur. the Muses day as fully to sucted tha Counce in the

meany improvements. tion of next Baturday will be or no ordinary interest to the peuple of Louis.
